Hi Pauline, attached is the email that was sent to you in early December 2015 regarding the train station windows. These windows were replaced last week and are currently being stored in the train station basement.

I also attached a copy of our asset disposal policy for your information and reference. As you will notice, we will require an open process in order to dispose of the windows.

We will be sure to let you know when the windows are declared surplus and how we will dispose of them.

Please feel free to contact me if you have any other questions.

Sincerely,

Patrick Cormier, Dipl.M.A.

Hi Pauline. I have forwarded your letter to Patrick and incoming mail where I will follow it up when I'm in town this week.

I'm not sure what our disposal policy is but will look into for you.

Thanks
