Municipality of Temagami
7 Shoreline Avenue,
Temagami, ON
POH 2H0
705-569-3421

To Mayor and Temagami Council,

Re:
Old windows Removed from the Train Station

Dear Mayor and Temagami council,

I am writing in regards to the windows that have been removed from the Train Station. I inquired about these in December 2015 and again in April 2016 and now have some more information pertaining to the storage of them. I inquired about these windows being store in the basement with two window companies (Northwood Windows and Seymour Windows) both have told me that storage of wood windows in a damp basement could cause the windows to warp and break. I realize that there is a procedure that has to be followed in order for the municipality to liquidate their assets . So I am asking if this could be expedited as soon as possible to save the windows from being of use to someone or becoming garbage. Will be waiting for a response to this matter, as I am still interested in purchasing the windows through the right channels.

Yours truly
