

Mayor Lorie Hunter, Temagami
Robin Koistinen, TFN

Re: TFMU Planning Committee.

This letter is in support of your request to have a permanent municipal representative on the planning committee. I understand I have the support of both the TFN and the local municipalities. A brief summary of my relevant experience follows.

Over the past year I have been Deputy Mayor in Temagami and a founding member of the Temagami Tenure Modernization Steering Committee.

I have enjoyed 35 years of experience in MNR including positions such as District Planner in Temagami, Senior Regional Planner in the Northern Region, District Manager in Moosonee and six Directors positions across OMNR.

I have extensive experience working with First Nations and negotiating resource agreements.

I am a northerner and was born and raised in the Temagami Forest Management Unit (Haileybury). I have worked at Temagami resource issues for over two decades and am a property owner within the Municipality of Temagami.

I would be pleased to provide further information if required.

Sincerely

John Kenrick
