The Chair,
Temagami Public Library Board,
P. O. Box 220
Temagami, On POH 2H0

Dear Sirs:

Please consider this my resignation from the Temagami Public Library Board.

I have been involved with the Temagami Library since the early 1970's when the Library was started under the Algonquin Regional Library which donated some 450 books and a mobile bus to begin the Temagami Community Library under the auspices of the Temagami Improvement District.

During those years I have been most pleased with the progress of the Library and with the current Staff , but now find that micro-managing by the Board and in particular of the Council Members involved is not necessarily progressive, but shows a lack of support for our CEO and Staff, and feel that as the Board has some valid applications for a position on the Board,the Board should have no difficulty in replacing me.

I will continue to support the Library as a volunteer.

Sincerely,

Joan M Broughton
