Dear Community Supporter,

The Youth Opportunities Fund (YOF) is proud to share news of the successful applicants that have received funding for the 2015-2016 granting round. Youth facing multiple barriers across Ontario will benefit from 31 initiatives totalling \$7,751,500 in funding from YOF.

After the success of its work in the Greater Toronto Area, YOF expanded its reach to serve youth across Ontario since June 2015. The 31 organizations are the first group of grantees to benefit from the program's expansion.

The YOF received 234 applications in this round, and it was a highly competitive process. We are preparing to launch the fourth round of YOF funding. The two-step application process will remain the same for the new funding round, with the Expression of Interest as the first step. Stay tuned for 2016-17 deadlines.

I want to thank all OTF staff and volunteers who worked on making this investment possible.

Thank you,

Andrea Cohen Barrack
 CEO, Ontario Trillium Foundation
