Hi – April 10 – 16 is National Volunteer Week and we’d like to show our appreciation to those volunteers in your area who continue to help the Canadian Cancer Society.

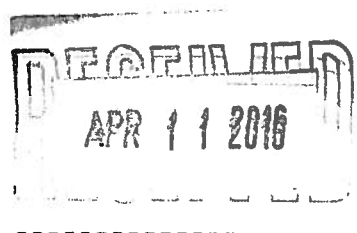

Could you please post the 2 attached letters from our Board Chair and Chief Executive Officer, offering our thanks to our volunteers?

As well – if you are able to share these letters with our agencies/groups/community outlets in your area that would be able to post them, that would be greatly appreciated.

Kind regards –
 Debbie Marson

Dear Volunteers of the Temagami Branch,

Every community has its heroes. You are one of ours.

On behalf of the Canadian Cancer Society, Martin and I would like to thank you for volunteering with us. During National Volunteer Week (April 10 – 16), we especially want to remember our heroes. Your time, commitment and tireless energy reaches into communities across Ontario to help enhance the lives of people living with cancer and their families.

As a volunteer, you give the Canadian Cancer Society the needed strength to have the biggest impact in the fight against cancer by:

- Helping us raise money for life-saving research into all forms of cancer, as well as vital support and prevention services
- Adding your support to our fight for health policies that better serve people with cancer and laws and programs that protect Canadians from cancer-causing threats
- Providing practical and emotional support to the cause, including one on one peer support, so that no one faces cancer alone

Thank you!
