### 1. PURPOSE

They are achieved through the municipality adopting measures ensuring, to the best of its ability, that all activities and services are undertaken utilizing a process that is open and accessible to its stakeholders.”

A high percentage of Temagami’s taxpaying population resides outside the physical land base of Temagami, making attendance at council meetings difficult for the majority, therefore Council has decided to provide audio recordings of the public sessions of Council meetings to enhance transparency and accountability by providing an additional means for its residents to be fully aware of council proceedings.
